

2013 Merlot

With this handsome Merlot we are saying goodbye to our old logo and the elegant red dress. They remind us of all the wines we've loved during our first 10 years and we cherish those memories as we look ahead. Like life...wine moves, changes, blossoms and ultimately fades. DAMA has always created wines that maintain the balance of elegance and hard edges. In this Merlot, the dark brooding fruit of black raspberry and ridged tannins coincides with the soft sweetness of garden mint and tarragon.
